

JEFF MILLER
U.S. CONGRESSMAN 2001-2017

July 31, 2020

I rarely endorse candidates in a contested Republican primary. In fact, I can count the number of local primary endorsements I've made on one hand.

This election is so important that I wanted you to know of my strong support of Patt Maney for State Representative, District 4. I worked very closely with him during my time in the Florida State House of Representatives and the United States Congress.

Whether the issues were defense or veteran related, Patt Maney was a steadfast supporter of our men and women in uniform during their time in service and after as a veteran.

I have seen Patt Maney demonstrate his leadership and character from the courtroom in Okaloosa County to the battlefield in Afghanistan. His integrity is unquestioned. He will always tell the truth and follow the law, just as he did while serving as a Judge in Okaloosa County for 29 years. It saddens me to see his opponents attack him for following the law, to boost their failed campaigns.

House District 4 needs someone who won't be "in training" during their term in office. Patt Maney will have instant credibility from day one. By the time he finishes his fourth term he will have accomplished a great many things for his District and State. Patt Maney really does bring a much-needed world of experience to this race. His rock-solid conservative commitment to his community and Country, as well as his wisdom and experience, will serve him well in Tallahassee.
